PREFACE.

We present the first issue of the Muscatine Directory, with the belief that it will be found as nearly accurate as any book of the kind can possibly be.

The growing importance of the City demands that its population and business should be represented in this shape, and the compiler expresses the hope that this volume will be the first of a long series.

It depends upon the public spirit of the business men of Muscatine, and the patronage they extend to the enterprize, to determine whether the publication shall be continued.

The publisher begs to extend to the subscribers to the present volume, his sincere thanks for their liberality.
